Very high quality, spacious three bedroom luxury detached houses under construction in an ideal location just a few minutes' walk from the area's most stunning beaches. In addition, all the services you need are next to you, such as the La Zenia shopping center with plenty of shops, restaurants and services. Golf courses are a few minutes' drive away. Private swimming pool in a spacious sunny yard. The houses also have a spacious basement. Only two of these very high-quality houses will be built. Please watch the video about the destination. ...
